History

After purchasing and extensive remodeling 216 Madison St., Madison’s™ opened its doors in April of 1982. In the spring of 1983, the neighboring building (214 Madison St.) was purchased and remodeled, increasing the size of Madison’s™ to 7200 square feet with seating for approximately 200, lounge seating for 40 and two private dining rooms accommodating small groups or up to 120. A large outdoor patio was completed in 2002.

We have continually updated the aesthetics of the restaurant’s interior and exterior: modernizing while respecting and maintaining the building’s rich history and integrity, with a mixture of warm woods, rich colors and various antiques throughout.

Both 214 and 216 Madison St. have been home to a variety of restaurants since the late 1800’s.

In 2019 Madison’s™ was named an historic designated Landmark by the City of Jefferson Historic Preservation Commission and Historic City of Jefferson.

We are very proud and humbled by the many honors we have received; remain most thankful to our guests, and; committed to the community through our personal involvement in and our strong support of numerous organizations throughout the Jefferson City area.

We embrace the knowledge that our service has never been limited by the walls of our building or the borders of our property. Since Madison’s exists within the context of a larger Jefferson City community, we have always reached out into our city to serve and support those in need.

Come to Madison’s™ to restore your spirit and share the simple pleasures with family and friends...one delicious bite at a time.
